NEW ELEMENTS

Scented candle

Our scented candles are crafted with luxurious shea butter wax. A natural and eco friendly alternative to traditional paraffin.

By choosing shea butter, we contribute to fair trade and the economic growth of communities in Africa.

The candle is available in two sizes. The small version offers approximately 50 hours of burn time, perfect for cozy evenings or smaller spaces, while the large version delivers an impressive 80 hours of fragrant bliss, ideal for creating an inviting atmosphere in any room.

Fragrance Sticks

Our fragrance sticks offer a simple and natural way to scent your home. Made with pure essential oils, they provide a clean and consistent aroma without synthetic additives. Just like our candles, these fragrance sticks support our focus on quality and sustainability.

The sticks come in a modern design and steadily release fragrance, making them ideal for any room.
