The descriptions and dimensions of the items in this catalogue are indicative and may be modified for the purpose of technical or design improvements. La empresa se reserva el derecho de anular o modificar cualquier modelo sin previo aviso. Todos los modelos cumplen las normas exigidas por la CE para iluminación de uso doméstico y sus características vienen determinadas por las clase 1 y la clase 2. Los acabados y las especificaciones técnicas corresponden a los productos que se suministran en Europa, pudiendo estos variar en otros mercados. Para una buena conservación de las lámparas, no usar bombillas de potencia superior a las recomendadas y limpiar solamente con un paño seco. No usar limpia metales ya que dañan los barnices protectores que garantizan la duración del acabado.
